

ACTS

MODEL OF PRAYER

Prayer Ministry Leadership Team

The Prayer Ministry of Germantown Pres. Church has the mission of telling the Good News of the power of prayer in old ways and new ways. This will be done by developing and implementing various classes, guides, and ministries to help all age groups in the church and community to learn more about prayer, and by providing opportunities for people to pray.

A *doration* - It is great to praise God and acknowledge God's omnipotence. I use the Scriptures to help me find descriptions or words that help me exalt God.

C *onfession* - In 1 John 1:9 we are asked to bring our sins before God and to repent.

T *hanksgiving* - As we bring our thanks to God, we are reminded how blessed we are.

S *upplication* - Now it is time to bring our fears, desires, and hopes to God.

Prayer Ministry Leadership Team

Prayer is worship. Sometimes in prayer most time is spent asking for things. While God certainly wants to hear our concerns, It is helpful to use the *ACTS* model of prayer so that communion with God will be more complete.

God desires to communicate with us. God waits for us everyday so be encouraged to find the joy, peace, and strength of a daily worship with your Lord.
